Breakfast Hour To Be Regular WNTC Show

Joseph Drab, WNTC Program Director, has announced that in the near future, a "Breakfast Hour" program will become a regular WNTC feature. While definite plans have not been completed, it is probable that the program will be on the air from 7:30 to 8:30 in the morning, Monday through Friday. It will be conducted along the lines of the standard "Breakfast Hour" program, and its main purpose will be to help members gain experience.

Donald Weidmann, Director of the Record Library, has released the latest list of record donations, and their contributors. Those, whose names were not previously published are Alice Curtis, Vinnie Langere, Dave Schaal, the J. & G. Restaurant, and Douglas Zieman. Checks were also received from Alpha for \$10.00, and from an anonymous friend for \$5.00.
